SEA MONKEYS

Sea monkeys are baby shrimp that hatch when they are put into water. Usually there are only 20 to 30 eggs in an egg packet. They grow to be only one-half to three-quarters of an inch at adult size. They have to be fed only once a week, from a tiny measuring spoon that comes with the aquarium they are supposed to live in. When they are old enough, they mate at room temperature (65° to 75° F.). They are easy to care for. They're very cute and perform amazing tricks.

THE CHINESE ZODIAC

The Chinese Zodiac consists of a 12-year cycle in which each year is named after a different animal. Many Chinese believe the year in which a person is born is important in determining his or her personality, success and happiness. For example, if you were born in 1980--the year of the monkey--you are smart.

DREAM ON!

Daryl

Dear Daryl,
My name is John and I'm from Greece. I've been reading ARCHIE comics for years and I must say that they're the best comic books I've ever seen! My favorite, of course, is JUGHEAD and when I saw the new continuing from issue to issue story, I couldn't help but write to you. I think that it was a great idea and I hope that this story will last for years!!

By the way, I'd like to congratulate REX LINDSEY for his work. He is really a very good artist and I'd like to wish you a happy 50th anniversary, even if it's a little bit late for that. You know, I'm really very lucky because my uncle (who's an American) bought me a subscription and enrolled me in the ARCHIE's 50TH Anniversary Fan Club. I was really very happy about

that. And I'm sure that if you keep up the good work, ARCHIE COMICS will be Number One forever!

THANKS, JOHN! YOU AND YOUR UNCLE MIGHT LIKE TO CHECK OUT THE ARCHIE AMERICANA SERIES - BEST OF THE FORTIES. HOW'S THAT FOR A SHAMELESS PLUG?

Dear Daryl and Forsythe P. (JUGHEAD) Jones,
Howdy. This here is a friend from Down Under. I like JUGHEAD going monthly - since that means we get to see more of him. As far as I'm concerned, JUG is not whacko or way out. He's the most understandable of the ARCHIE gang.

Here's an idea. Why not, along with JEFFREY, have a hearing-impaired person? I like the way you include people of all types. It is interesting to see how JUGHEAD handles it. I believe JUGHEAD's example will be followed by all.

As you may have guessed, I am hearing-impaired and I have found your publications, especially JUGHEAD, educational while at the same time amusing.
